note: almost any flaw can be attributed
to their "individuality"

Through hard work,
you can create the illusion that
the individual is lovable

This is because other
people are disgusting,
unlovable creatures.

Complete lack of social skills?
Think: "mysterious and intriguing"

How to LOVE

"LOVING THE UNLOVABLE"

but some of us find it
more difficult.

The trick to loving someone
is to convince yourself that
their flaws are actually
desirable characteristics.

and engage in that glorious
self-deception we call

LOVE.

Bad breath? Instead, think:
"Their mere words make me swoon"

Some of us fall in love
at the drop of a hat.
